TAILGATE CORNHOLE VS REGULATION CORNHOLE: SPEC-COMPARISON

REGULATION VS TAILGATE

REGULATION

MAIN PRODUCT DETAILS

Dimensions: 24"x48"

Construction:

Sturdy, all-wood construction with a solid frame.This is the typical cornhole size and build.

Audience:

Events that do not require mobile, lightweight game will benefit from a Regulation Size Cornhole set. After setup is complete, the boards can sit and be played for hours with a much greater level of durability.

TAILGATE

MAIN PRODUCT DETAILS

Dimensions: 24"x36"

Construction:

Lightweight, all-wood construction with a slim pine frame.

Audience:

If you require a mobile, lightweight game, the Tailgate-Size Cornhole set is a great choice. The boards naturally react, to a throwing bag, different than a Regulation set, but are great for agile setup and play.

THE NUMBER ONE CORNHOLE SUPPLIER

IN BUSINESS FOR *YOU*

Promotoss is the leading Regulation Cornhole supplier, for the promotional products industry. From the world's largest brands to your own town's small business, Promotoss continually strives to deliver the best quality and service to *every customer*. There's a reason we've made so many relationships- it's because we continually sculpt our agile business approach based on *your* collective feedback and needs.

DURABLE, ALL-WOOD CONSTRUCTION

PRICING AND IMPRINTS THAT MATTER

***A simplified pricing system*- it's important to you, so it's priority for us. *Receiving the right imprint-style?* Just as important. We don't want these two objectives to clash so, while we are expanding our imprint capabilities and options, our goal is to simplify pricing. This ensures you can recieve a quote at lightning speeds and have more time to spend on satisfying clients.**

new!

STAINED SETS

Stained sets can come with a knockout imprint and one of our stock stain colors OR a custom stain color profile to better suit your marketing and brands' needs.

FREQUENTLY ASKED QUESTIONS

Q: What is the imprint process?

A: The Cornhole sets are imprinted with either printed vinyl which is then applied to the boards, or boards can be imprinted directly, depending on the artwork and image complexity. Artwork is protected with semi-gloss polyurethane.

Q: How do you ship?

A: We can ship either Fedex, UPS or LTL, on our account or yours. For smaller orders of 1-9 sets it is usually more efficient to ship Fedex or UPS. For larger orders of 10+ sets, LTL can be a better option if the receiver has a dock available.

Q: How are cornholes boxed?

A: Each set (2 boards and 8 bags) is double boxed in a Fedex or UPS shippable box.

Q: How long until I receive a proof?

A: Proofs and mockups are typically returned within 24 hours of initial proof-request.

Q: Where do you ship from?

A: We ship from our manufacturing facility in Cincinnati, OH 45246

Q: What is the weight of a cornhole set?

A: The regulation set weighs 55lbs, but ships at a dimensional weight of 70lbs. The tailgate set weighs and ships at a weight of 30lbs. The tabletop sets weight 2lbs.

Q: Can you drop ship?

A: Yes, we offer drop shipping at no extra charge.

Q: Do you have art templates?

A: Yes. Our growing list of branded games each have their own template for your own in-house use.

To get product image and art templates, visit the downloads page on Promotoss.com.
